

Sometimes all a dog
needs is a second chance
...for love, devotion, and life.

NORCAL Golden Retriever Rescue

Is a non-profit, all-volunteer organization, whose Mission is to rescue and place adoptable Golden Retrievers in Northern California in safe, loving homes; thereby improving the lives of both the dog and the adoption household.

Goldy 55276

Name: Goldy
Number: 55276
Age: 10 years 0 months
Gender: Female
Cars: Hops right in, needs help getting out
Cats: Was not interested in cat at shelter evaluation
Kids: Seems to like them
Other Dogs: Aced the dog-meet-dog evaluation
Owner Exp.: Someone with senior-dog experience would be good for Goldy
Home Alone: She does well

Goldy has quickly learned how to use a doggy door. While she doesn't really want to play with other dogs, she loves to snuggle with you on the floor and get tummy rubs. She practically purrs with appreciation! She also loves balls and taking short and slow 15-20 minute walkies.
